# LAURA WELDY

Providing cohort based leadership accelerator programming and coaching to help women *win at work.*

## *Key Services*

### **Hack your High Potential Profile**

Interactive virtual or live workshop facilitated by Laura sharing her story of falling out of the talent pipeline and how modern women can put themselves on the high potential list.

### **Leadership Coaching**

Laura's coaching process is designed to bring out the best from your employees at every stage of their career. Laura is a PCC level coach certified by the International Coaching Federation.

### **High Potential Women Leaders Accelerator**

6 weeks of interactive training built around the High Potential profile system designed to strengthen your team members' internal network and build soft skill literacy for improved retention and career planning.

### **Consulting**

Are you looking to energize your organization's women focused employee resource group, or build your own women's leadership program in house? Laura's available for consulting on how to make your programming supportive and goal focused.

**Strengthen your talent pipeline & increase retention of top talent by developing women leaders earlier in their career.**
